

Family Fun Fishing Day

It's the perfect time for a FAMILY fall afternoon of food, fun and fishing. Yes, fishing! Every child should experience fishing – and they may just like it! We'll have everything you'll need – wiggly worms, noisy crickets, hooks, poles, and a few experts to make sure you're safe and help you catch some fish!

Join with other Transfiguration families on **Sunday, October 22, 2017 at 12:30 p.m.** at The Land Retreat & Conference Center in Woodstock where there's a fully stocked pond, a large pavilion, and large fields for fun activities like horse shoes, corn hole, or soccer.

The Knights will supply hot dogs, chips and refreshments. Feel free to bring a side dish and your favorite fishing pole. We'll share a wonderful afternoon and maybe a few fish stories!
