### 7:00 p.m. in the church

As a pastor working in a neighborhood with the highest concentration of murderous gang activity in Los Angeles, Gregory Boyle created an organization called Homeboy Industries to provide jobs, job training, and encouragement so that young people could work together and learn the mutual respect that comes from collaboration. A much sought-after speaker, Fr. Boyle tells personal, unflinching stories full of surprising revelations, insights, and wisdom. With his guidance, we can recognize our own wounds in the broken lives and daunting struggles of the men and women he has encountered and learn to find joy in all of the people around us.
