

HABITAT BUILD 2017

The Habitat for Humanity Ministry at Transfiguration seeks to build lives as well as houses through this non-profit, ecumenical Christian housing organization. This fall we will be working with area parishes to build two houses in the Cobb County area. Transfiguration participates in the Habitat Catholic Coalition along with St. Catherine's, Holy Family, St. Ann's and St. Joseph's Churches. As members of the Coalition, each church is asked to provide volunteers for the construction effort, financial sponsorship (\$10,000), and food for the volunteers. For more information, please see our bulletin board outside of the restrooms.

Construction will begin on Saturday, September 9th and continue each Saturday through November 4th.

There are three ways you can help:

- 1 - We will need approximately 10 volunteers each weekend to help with the construction.
- 2 - We will need financial support to help cover the cost of the construction, there will be a second collection envelope opportunity in September.
- 3 - And we will need your prayers that we may change the lives of two families by giving tangible expression to the love of God through the work of eliminating poverty housing.

We are in need of fresh ministry leadership, no construction experience needed, just a willingness to help organize volunteers once a year and lunch support at two builds. If you are interested in participating in this Ministry, please contact Larry Prescott at 404-558-9627 or mrcandue@gmail.com.
