Sacraments of Initiation

Baptism

For infants through age 7, parents and Godparents must attend a preparation class. For older children, baptism arrangements are made through our Religious Education department. We baptize teens and adults through the Order of Christian Initiation.

Order of Christian Initiation (OCI)

This is our program for welcoming new members into the Catholic faith. High school teens who have not received the Sacraments of Initiation may be eligible. Adults who want to find out more about the Catholic faith are invited to attend our weekly inquiry classes.

Those who then desire to become Catholic enter a formal education period.

First Reconciliation and First Eucharist

These sacraments are generally celebrated in the 2nd grade. Two consecutive years of religious education are required (must attend in 1st and 2nd grade to receive sacraments in 2nd grade). There are also several special preparation meetings to attend and workbooks to complete.

Confirmation

This sacrament is generally celebrated in the 10th grade. Two consecutive years of religious education are required prior to the sacrament year (must attend in 8th and 9th grade to receive the sacrament in 10th grade). There are also a number of other requirements including logging service hours, attending a weekend retreat, and completing a workbook.

Catholic adults who have not been confirmed may be eligible to participate in our Adult Confirmation program.
