

GENERAL PERMISSION FORM

2018-2019 School Year

Child's Name _____

CLASS DIRECTORY

A Class Directory is provided to each parent in your child's classroom for their convenience in contacting other parents. It is also used by room parents and TOTS (parent group) to plan class events and other school related functions. It is never to be used for other purposes, such as advertising, or provided to organizations outside of our preschool.

The information in the directory is obtained from your initial registration form. It will include your child's name, parent's names, home address, email and Mom's cell phone number.

INJURY TREATMENT

When children are injured at our Preschool, the normal procedure is:

Bumps, bruises and bites (that do not break the skin)-----ice

Scrapes, cuts and bites (that break the skin)---wash with soap and water

Insect bites, stings/rashes (existing or new)----ice pack, cool towel

If a more serious injury occurs, parents will be consulted. In the event of a life-threatening injury or illness, 911 will be called and a parish representative will accompany your child, in an ambulance, to the nearest hospital or medical facility and is authorized to allow emergency treatment. Parents will assume full responsibility for all charges related to above.

GENERAL MEDIA

In the interest of promoting and chronicling our preschool program, Transfiguration Preschool often records events and school activities with photographs, video, or other media. These may appear in classroom projects and / or church media, including the Transfiguration Catholic Church website (www.transfiguration.com) or Transfiguration social media pages. The security of our children is always a priority at Transfiguration Catholic Church and Preschool. **Children's names and/or other personal information will never be included in any of the General Media material.**

By signing below, I agree to the terms given under Class Directory, Injury Treatment and General Media.

Please contact us if you would like further explanation.
