

We are very excited to announce some big improvements to Religious Education/Faith Formation at Transfiguration.

We will no longer be PREP or PEEP... but "Our Great Journey." We are all on a journey to learn about God, our Catholic faith and how we are to live His love.

Join us on the journey... for more details & to register, www.transfiguration.com/journey
Tuition discount ends August 9. Classes/Groups begin August 19.

WHAT'S DIFFERENT?

- Redesigning first floor hallways to be interactive. The classroom hallways tell the story of Salvation history! The design flows from our prayers at Mass to learning and living our faith and God's promises fulfilled.
- Change in lighting, classrooms are being painted, new furniture
- Center-based learning—over the course of two years; beginning with grades 1, 2 and 3, the curriculum will be delivered in a blended center-based approach, allowing learners to engage how they learn best. The catechist will introduce the topic and then students will explore center activities to continue learning and interacting with the topic.
Grade 8 curriculum delivery will also be enhanced combining large group and faith group time.

- Texting parents 15 minutes before class ends with discussion questions, word of the week; for the ride home and beyond!

Our Great Journey
will have 5 levels:

- Seekers -- Preschool –K
- Travelers -- Grades 1, 2 & 3
- Voyagers -- Grades 4, 5 & 6
- ChrisTeen -- Grades 7-12
- Sojourners -- Adults

WHAT'S THE SAME?

- The curriculum is still comprehensive and designed to support family religious education and to present concepts, theology and opportunities to know Jesus in a systematic, age-appropriate scope and sequence.
- For all journeyers to learn, know and live our Catholic faith

Thank you to the many volunteers who painted the classrooms, assembled furniture & our teachers & Re-design Committee!
