

Seminarian assigned to Transfiguration Church this summer.

Hello parishioners of Transfiguration! My name is Kelello Descher and I just finished my first year of minor seminary at St. Joseph College Seminary in Covington, LA this Spring. I was born in Atlanta, but I grew up in Jefferson, GA. I am the eldest of 7 children, my mom being pregnant with the seventh one, the seven being four boys and three girls. I was homeschooled all the way through high school, which is something I am very grateful for.

In my free time I enjoy listening to folk music, playing guitar, playing and watching soccer (Atlanta United!!!), as well as going on hikes.

I first felt the call of the priesthood when I was 9 years old and I began to seriously discern when I was 13 and began to altar serve. I went on a "Come-and-See" in 2016 to the seminary and I decided that St. Joseph's was where God wanted me to continue to discern my vocation.

I look forward to serving you this summer!
